

Out
and
about

Take your child outside, if possible, and look for natural object such as leaves, grass, stones, berries, twigs etc. Collect them, take some photographs or do some simple sketches so that you can talk about them later on.

What natural objects can you find outside? Collect some and see if you can describe them with a little help. Ladybird has found some words that might help but try to use some of your own too.

shiny
flat sharp
hard soft rough
smooth wrinkly cold
bumpy wet
