

Oh dear! These photos from my walk have got muddled up. I need to stick them in my photo album. Can you help me to put them in the right order? Where did I go first?

Have a good look at the pictures of Max and then see if you can work out what order they should be in. Ask your helper to read the story again and work out the right order as you listen. Can you number each of the 5 pictures from the story? Think about :

- ★ Where did Max go **first**?
- ★ Where did he go **next**?
- ★ Where did he go **after that**? What was the problem?
- ★ Where did he go **then**?
- ★ Where did he **finally** go before he returned home?
