

Year 1 and 2 —Activity Ideas

Have a go at writing your numbers, first to 50 and then to 100. Make sure you don't lose track and that all the digits are the correctly formed and the right way round.	Make your own puppets. You could use socks, wooden spoons, lollipop sticks, paper. Make up stories using your puppet characters. How many different adventures can your puppets go on? Ask an adult if you can tell them one of your stories.	Watch the story 'One Snowy Night' https://www.youtube.com/watch?v=xHWTk9u6Rxy Who do you think is knocking on the door?	Watch CBBC's Newsround https://www.bbc.co.uk/newsround/news/watch_newsround	Using bits and bobs you find around the house make a winter collage. 
Using paints or other craft materials, make or paint your own picture of a winter scene. Will you include a snowman and some snow flakes?	Ask an adult to show you how to fold a piece of paper and cut pieces out of it to make . snowflakes. Then have a go yourself. You could add some glitter and hang them up. https://www.youtube.com/watch?v=eLiCV5z-9fA 	2D Shape Search Look around your house for every day objects that are the same shape as a circle, triangle, square, rectangle, pentagon (5 sides) and a hexagon (6 sides).	Make up your own a song or a poem about the winter. Try to think of some words that rhyme like snow, flow and glow. 	Can you make up a dance for your song or add actions to your poem? What actions could you have for the cold winter?

Wellbeing activities to do regularly

Collect some materials from your garden or on a walk to make a wild art picture. 	Get Sticking Use old boxes or tubs that would normally be recycled to make a model using glue or tape. 	Get some exercise. You could ride your bike, scooter or a trike. 	Outdoor Writing Go outside and practice writing some of the sounds from your Phase 3 and Phase 5 phonics. You could write them in chalk on walls or on the ground. Think of words that have the same sounds in and write some of these too. 	Get Gardening If you have a garden have a go at planting something or do some weeding. Or you could plant something in a pot on a windowsill. 
Use Education City to practice a different Phase 3 and 5 sound a day. (The list of sounds can be found on our website). https://go.educationcity.com/ Follow: Subjects - English - KS1 - Letters and Sounds	Look at the Numbots website and continue the story mode questions. Try and play for 3 minutes a day 4 times a week. https://play.numbots.com/#/intro 	Get Moving Keep fit with Joe Wicks or follow the link to Jump Start Jonny! Just click on the free stuff button for your favourite dances. https://www.jumpstartjonny.co.uk/home	Purple Mash Log into Purple Mash https://www.purplemash.com/login/ Click on the art activities and explore them. Which was your favourite activity?	Keep Active Have a go at Andy's Wild Workouts on CBeebies
