

WALT: I can find one more and less than numbers within 20

To extend

Choose any number you like and complete the boxes. I've done the first as an example.

Number in numerals	Words	Number track										
14	fourteen	<table><tr><td>10</td><td>11</td><td>12</td><td>13</td><td>14</td><td>15</td><td>16</td><td>17</td><td>18</td><td>19</td></tr></table>	10	11	12	13	14	15	16	17	18	19
10	11	12	13	14	15	16	17	18	19			
Number sentence												
1 more than <u>14</u> is <u>15</u>												
1 less than <u>14</u> is <u>13</u>												

Number in numerals	Words	Number track										
		<table><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr></table>										
Number sentence												
1 more than _____ is _____												
1 less than _____ is _____												

<i>Number in numerals</i>	<i>Words</i>	<i>Number track</i> <table border="1" data-bbox="877 257 1492 347"><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr></table>										
<i>Number sentence</i> 1 more than ____ is ____ 1 less than ____ is ____												

<i>Number in numerals</i>	<i>Words</i>	<i>Number track</i> <table border="1" data-bbox="877 1131 1492 1220"><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr></table>										
<i>Number sentence</i> 1 more than ____ is ____ 1 less than ____ is ____
