

I can compare numbers using less than $<$, greater than $>$ and equal to $=$.

Circle the biggest number.

4	10	18	17
	3		

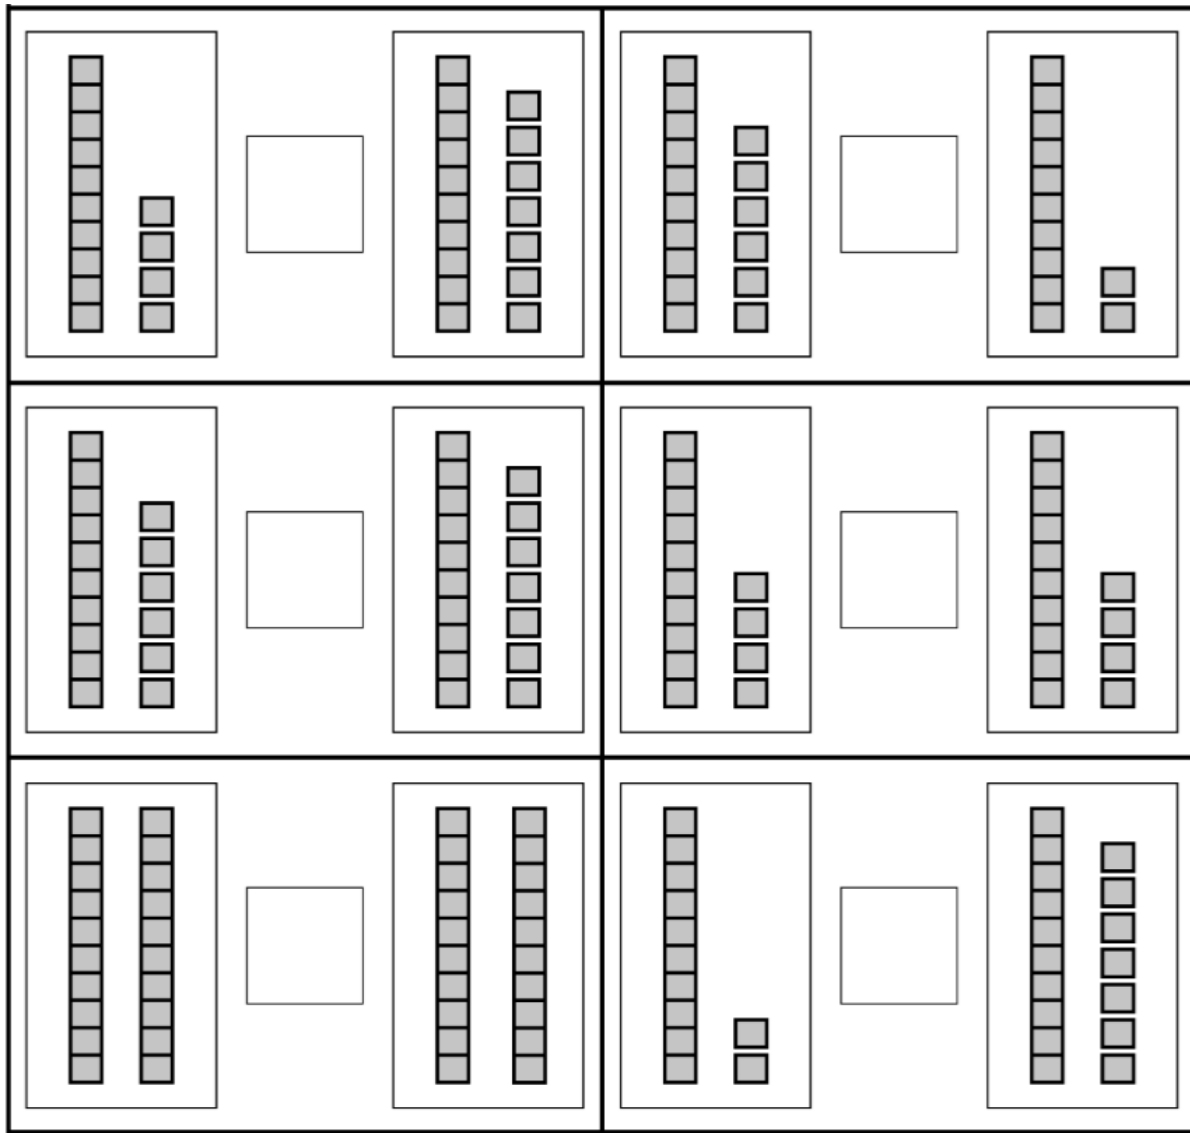

19	14	11	2
	6	5	

Circle the smallest number

2	14	11	20
	6	12	

7	17	12	5
	6	18	

Use $<$, $>$ or $=$ to make these statements correct.

14		17
----	--	----

5		16
---	--	----

19		5
----	--	---

14		18
----	--	----

11		17
----	--	----

15		6
----	--	---

19		20
----	--	----

18		17
----	--	----
