

Hello,

We will now be moving on to counting beyond 50 up to 100.

Watch the lesson below. You won't need to complete the starting quiz but make sure you join in with all the other questions and activities the teacher sets.

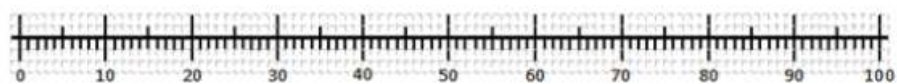

<https://classroom.thenational.academy/lessons/to-recognise-read-and-write-numbers-to-100-ctk64t?step=1&activity=video>

Now try the question below.

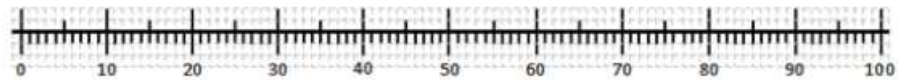

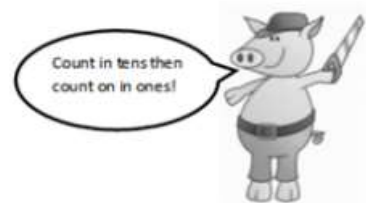

Independent Task

Task 1

Count the number of objects in tens then ones. Show it in Dienes. Show it in jumps on the number line. Write the numeral.

There are bricks in total.

There are bricks in total.

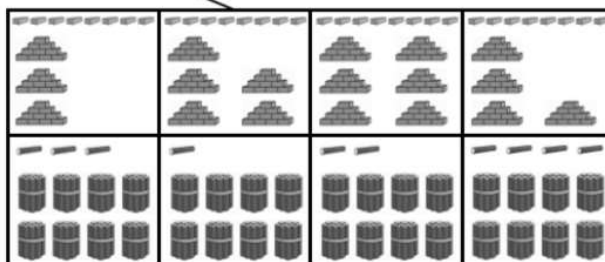

If your child found this task tricky then stop here.

If your child was secure with this then have a go at the question below.

Task 2

Match the image to the word.

fifty eight thirty eight forty eight sixty eight

eighty two eighty three eighty one eighty four
