

# Salad Evaluation

| Name of salad | Words to describe the salad |
|---------------|-----------------------------|
|               |                             |
|               |                             |
|               |                             |
|               |                             |
|               |                             |

| Name of salad | What I like about the salad | How it could be improved |
|---------------|-----------------------------|--------------------------|
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |

# Salad Evaluation

○○○

| Name of salad | What I like about the salad | How it could be improved |
|---------------|-----------------------------|--------------------------|
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |
|               |                             |                          |

Explain which salad you liked the most and why
