

Every School Day Matters – Punctuality Counts

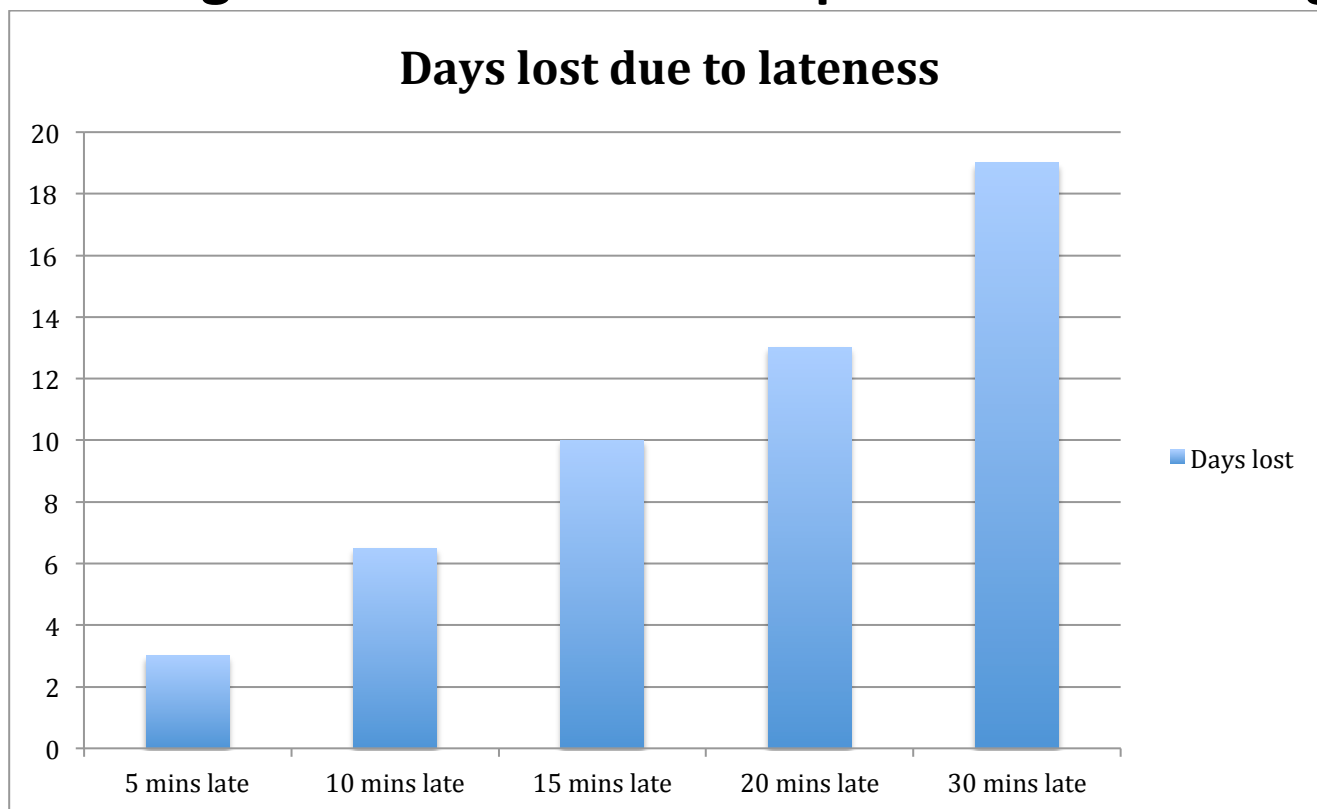

The very start of the school day is when children receive vital catch up opportunities and important instruction needed to be successful during the day.

It is a proven fact that children who are not punctual are more likely to underperform in school

- If you are 5 minutes late every day, that adds up to over 3 DAYS lost each year
- 15 minutes late is the same as a child being absent for 2 WEEKS each year

Being late for school adds up to loss of learning.

Please ensure you and your child are punctual; it really does matter

If you are struggling and need help or support or advice, please contact the Mrs Froom, via the school office. We are here to help.
